GRIEVANCE PROCEDURES**

A. Definition

A grievance shall mean only a complaint that there has been an alleged violation of any specific provisions of this agreement not specifically excepted from the grievance procedure.

B. General Provisions

1. Every employee covered by this agreement shall have the right to present grievances in accordance with these provisions. Any aggrieved person may be represented at all formal levels of the grievance procedure by the employee himself/herself, or by the employee and a representative from the Union if the employee chooses to have a representative with him/her.
2. The failure of any employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal and a supervisor's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however may be extended by mutually written agreements.
3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no

interference with or interruption whatsoever of the work activities of the grieving employee.

4. In matters dealing with alleged violations in those areas over which a supervisor has no authority to grant the appropriate relief, and in all cases in which the decision being grieved is a decision which was made by the Department Director, the grievance shall be initiated at the Third Step. The time limits for filing a grievance at the Third Step shall be the same as the time limits for filing at the Second Step.

C. Processing Grievances

1. First Step

An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and his or her supervisor.

2. Second Step

If the grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the employee's Department Director. The written grievance shall state the remedy requested. The filing of the formal, written grievance at the second step must be within fourteen (14) calendar days from the act or omission giving rise to the grievance, or when it should have been reasonably discovered. The employee's Department Director shall make a decision on the grievance and communicate it in writing to the employee and the City Manager within fourteen (14) calendar days after receipt of the grievance.

3. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee shall file, within seven (7) calendar days of the date of the written decision at the second step, a copy of the grievance with the City Manager. Within fourteen (14) calendar days after such written grievance is filed, the grievant and the City Manager, or designee, shall meet to resolve the grievance. The City Manager, or designee, shall file an answer within fourteen (14) calendar days of the third-step grievance meeting and communicate it in writing to the employee.

4. Fourth Step

In the event a grievance has not been satisfactorily resolved at the third step, a party may, within twenty (20) working days of the date of the written

decision at the third step, demand arbitration by giving the other party written notice of such demand.

Within seven (7) working days after a party's receipt of the written notice demanding arbitration, the parties shall attempt to agree upon the selection of an arbitrator. If they cannot so agree, the party demanding arbitration shall request a list of seven (7) arbitrators from the Iowa Public Employment Relations Board. Beginning with the party demanding arbitration, the parties shall alternately strike names from the list until only one name remains, and that person shall be the arbitrator.

An arbitrator selected pursuant to the fourth step of this Article shall schedule a hearing on the grievance and the date for such hearing shall be determined by the parties within sixty (60) days following the date of the written notice of demand for arbitration. After hearing such evidence as the parties desire to present, the Arbitrator shall issue a written opinion and award. The arbitrator's decision must be issued within thirty (30) days of the arbitration hearing.

The arbitrator shall have no authority to add to, subtract from, modify or amend any terms of this Agreement. A decision of the arbitrator, within the scope of his/her authority, shall be final and binding upon the City, the Union and the aggrieved Employee(s).

The City and the Union will share equally the costs of arbitration, including the fees and expenses of the arbitrator. Any other expenses shall be paid by the party incurring them.

D. Election of Remedies

If an employee files a grievance under this procedure, the employee waives his or her right to file a claim or complaint under any other procedure and in any other forum pertaining to or arising out of the same set of facts and circumstances. If an employee files a claim or complaint under any other procedure or in any other forum, the employee waives his or her right to file a grievance under this procedure pertaining to or arising out of the same set of facts and circumstances

ARTICLE 5 DISCRIMINATION
